GPE participated in BIG 5 JEDDAH 2013

One of the leading construction shows in the Middle East the BIG 5 in Jeddah was held from 9th to 12th March 2013. GPE was proud to welcome a big amount of clients like every year. In the meanwhile Saudi Arabia became one of the biggest market for GPE batching plants.

GPE Batching Plant with BHS mixer for OMAN

GPE recently received an order for two fully galvanized batching plants GPE 120. The plants will be equipped with BHS Twin shaft mixer DKX 3.0.

Water clarification system for Doha by BIBKO

GPE received recently an order to deliver two BIBKO chamber filter press systems to a big Readymix producer in Qatar. With the filter press a straight filtration of greywater is possible. Fines are discharged in a compressed and semi-dry filter cake and almost clean water is the result.

Screws and Silo accessory by SCUTTI NICOLA

Since almost 10 years now GPE is the agent of SCUTTI NICOLA one of the leading manufacturer for screw conveyors, silo filter, pressure relief valve and other silo accessories. All these components are available direct ex our warehouse in UAE.

Microwave sensors from the market leader

Since more than 10 years GPE has a close cooperation with Franz Ludwig from Germany, the market leader in microwave moisture technology for over 30 years. The in-house development of measuring and metering systems has led to more efficient production in a large number of various industrial manufacturing plants.
